

APPLICABLE FINAL TERMS

The Issuer does not fall under the scope of application of the MiFID II package. Consequently, the Issuer does not qualify as an "investment firm", "manufacturer" or "distributor" for the purposes of MiFID II.

MiFID II product governance / Retail investors, professional investors and ECPs - Solely for the purposes of the manufacturers' product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients, each as defined in MiFID II; and (ii) all channels for distribution of the Notes are appropriate, including investment advice, portfolio management, non-advised sales and pure execution services. Any person subsequently offering, selling or recommending the Notes (a distributor) should take into consideration the manufacturers' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels, subject to the distributor's suitability and appropriateness obligations under MiFID II, as applicable.

For the purposes of this provision, the expression manufacturer means any Manager that is a manufacturer under MiFID II and the expression MiFID II means Directive 2014/65/EU, as amended.
